

How to create a guest account for 2024 MACCS-RAMP registration

To register for the 2024 MACCS-RAMP User's Group Meeting, participants must first have an account on the RAMP website. If you are not a RAMP member, you can create a guest account on the RAMP website using the following instructions:

1. Please visit <https://ramp.nrc-gateway.gov/events/october-2024-user-group-meeting> for registration. When you are in the RAMP website, you will need to click on the 'CONTACT' box to enter your information for a guest account to be able to register. Please see picture below with the red arrow.
